Reference for Chris. Benson.

To whom it may concern,

“SEA CREST” is a 37m. charter yacht at present based in the Mediterranean, Chris Benson was employed on board for what was quite a busy summer season of 1997 as Chef.

Chris produced some excellent meals for our guests during the whole of the 5 months he was on board while adequately catering to our crew of 7. All our guests including the owner were extremely satisfied with his undoubted culinary skills.

Chris is a very cheerful person to work with & got on very well with his shipmates. I hope he does well in his search for another Chefs position, our season being almost over.
