

# Midnight Saga

Midnight Saga  
Marseille  
November 31st 2001.

## TO WHOM IT MAY CONCERN

This is to certify that Mr Christopher Benson British passport holder number 019244597 has been employed as Head Chef aboard the 58 metre motor yacht Midnight Saga since January 15th this year , Chris is in charge of a catering department comprising of himself a Second Chef and a Galley Assistant, he is solely responsible for the victualling and menu planning for a very busy Charter Yacht with a crew of 22 and many high profile charter guests . This year the vessel has cruised extensively in the Bahamas , Caribbean , US East Coast , Canary Islands and finally a very busy Mediterranean charter season , during Chris's time onboard I always found him to be cheerful , polite and courteous and always receptive to new ideas. He is a talented chef whose attitude is always positive towards the job at hand and gets on with the long hours and busy schedule professionally and with good humour , he is also a well liked crew member . Chris like the rest of us is leaving the vessel due to sale , The new owners intention to undergo an extensive refit program means they do not wish to retain any of the crew , for any further information please don't hesitate to call : 44 (0) 7765 404807 .

Yours sincerely

  
Michael Conway
