29th September 2011

To whom it may concern,

Mr Chris Benson holder of the British passport number 093217686 D.O.B. 31/03/63 has been employed on board M.Y. Perpetual. Chris held the position of sole chef from 1st of May 2011 through to the 1st October 2011.

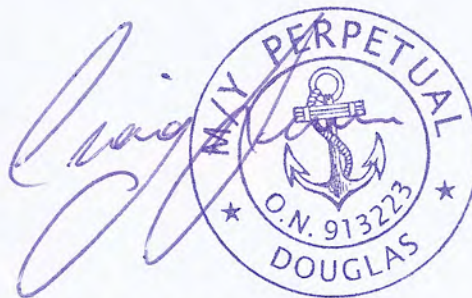

It was an absolute pleasure to work with Chris and he proved himself repeatedly to be a truly talented and professional chef. He would often go far beyond the call of duty in order to ensure our guests had the most memorable culinary experience.

Chris is an energetic and dedicated crewmember who is capable of handling the most demanding situations with an exceptional level of calm. Chris always completed his duties with a smile and with such ease thus giving others around him confidence to do the same.

Chris and his team provided a service that has been commented upon time and time again for their flair and originality. As well as his attention to detail Chris has excellent people management skills and seamlessly headed his team and the galley to ensure a feeling of total control. Chris is a loyal, hardworking, honest professional and we are all extremely sorry to see him leave Perpetual. I would have no reservations in recommending Chris for any job in the future and would be happy to answer any further questions.

Regards,

Captain Craig Jenner
