Re: Reference for Mr Christopher Benson

This letter serves to certify that Mr Christopher James Benson holder of the British passport No: 093217686 has been employed onboard the 39 metres, charter motor yacht *Cheetah Moon* with the position of Chef, from June until November 2013 as state in his certificate of discharge.

Mr Benson joined the vessel in Naples on the eve of the first charter. Only a few hours after he arrived on board, he had turned the galley and stores into fully operational spaces ready for the arrival of our charter guests.

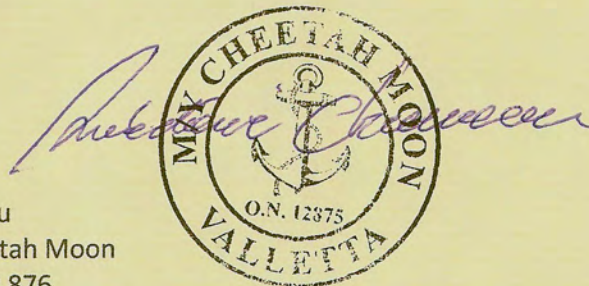

During the entire summer 2013, Mr Benson provided delicious and beautifully presented food to our many guests and crew alike. Anchored in remote places for days at the time and with limited storage space available, our cruising itinerary presented some logistical challenges, yet Mr Benson demonstrated his resourcefulness and day after day he was able to produce meals of a high standard, no doubt drawn from his years of experience as chef on yachts.

I have appreciated Christopher's company as much as his food. I know that he was a good shipmate to his fellow crew and liked by all onboard.

I thank Mr Benson for his cooperation and the positive contribution he has made to our successful ten weeks of charter this past summer. I wish him the best in his endeavour and would not hesitate to recommend his friendly and professional services to any Captain or management company.

For any additional information on Mr Benson's employment onboard *Cheetah Moon*, please do not hesitate to contact me directly on the following:

Yours truly,

The stamp is circular with the text 'M/Y CHEETAH MOON' around the top edge and 'VALLETTA' around the bottom edge. In the center, there is an anchor and the text 'O.N. 12875'.
